BURNER

Every new Burner 2.0 iron has been engineered to be long. The face is thinner. The toplines are progressive. The shafts are specifically designed for each head. COR and MOI ratings have been maximized. Go to www.taylormadeadidasgolf.com to get your burner irons today.

March

EXOTICS
CB3 TOUR FAIRWAY

The CB3 boasts a forged 15-3-3-3 titanium face that is lighter and more powerful, delivering undeniable real-world performance. The club's new and improved variable face thickness includes a thinner perimeter ring around the striking surface to produce the longest hitting, best feeling Exotics fairway wood yet. Head to www.touredge.com for your CD3 Tour Fairway Wood today.

June

Capture. Analyze. Share. Using our system, you know immediately what your swing looks like while you're practicing so you can keep working until you get it right. Then later you can upload the videos to your computer and email them to your coach and get their input on whether you're making progress. Go to www.proplaysports.com

September

The Holidays are Here Featuring our 2010 Products of the Month

April

Power Over Pain

Use POP for instant reliefs of aches and pains on the golf course. Just POP a quick spray over the area and within minutes feel the relief, get back your normal swing and enjoy the game again. Head to www.golf-immortal.com for more information.

July

The Dave Pelz Scoring Game School applies a practical, scientific approach to golf instruction, honed through years of research and providing golf lessons to many of the game's top professionals. Go to www.pelzgolf.com for more information.

October

TUCKER'S POINT HOTEL & SPA
BERMUDA

The 18-hole, par-70 Tucker's Point Golf Course is the island's premier golf experience. Originally designed in 1932 by Charles H. Banks, the course was completely redesigned in 2002 by Roger Rulewich, the former chief designer for Robert Trent Jones. Find out how you can getaway today by going to www.tuckerspoint.com

December

The Eazy Bag is a golf bag specifically designed for the golf cart with special fasteners to keep the bag secure without the normal strap across the front. The unique front club access allows you to remove or replace clubs without lifting the club up and over the top of the bag. This can greatly reduce the strain on the shoulders and back during your round. Get yours at www.easygolfbag.com

February

Desert Dry Xtra-Lite is a combination of Antigua's exclusive DESERT DRY moisture wicking feature combined with specially constructed ultra-light fabrics for maximum wicking performance and optimum comfort. Go to www.antigua.com for your Desert Dry Xtra-Lite Shirts today!

May
