

2009 marks Antigua's 30th Anniversary serving the apparel industry and accessory needs of the golf industry. Antigua's foundation of in-stock inventory and fashion collections, the quickest and finest embroidery in the industry and unmatched customer service has allowed the Antigua brand to prosper in a very competitive market. Antigua products can be found at thousands of golf facilities, golf retailers and golf events. Antigua has displayed its line at 28 consecutive PGA merchandise shows and has been chosen as a vendor partner for every Ryder

Cup Match since 1991 and every PGA Championship since 1995. Acquiring the PGA TOUR license was predicated on Antigua's long-standing reputation as a genuine golf brand and allows Antigua to continue service to PGA TOUR events and expands Antigua's reach to the Champions Tour, the Nationwide Tour and specific PGA TOUR retail partners. Antigua's golf division is proud to additionally hold license agreements with the PGA of America and the LPGA. For more information visit them at [www.antigua.com](http://www.antigua.com).

**Women's- Air Summer Lite II By Nike**

In warm weather conditions, the Air Summer Lite II features breathable mesh which supports cooling and comfort throughout. The Air Summer Lite II has been enhanced since the popular original Air Summer Lite, Nike's Air Summer Lite II comes in new colors with updated styling. This extremely lightweight summer shoe keeps feet cool in warm conditions. Through testing in the Nike Sports Research Lab, it was found that a majority of heat is released from the top of the foot. To address this issue, Nike Golf designers created a tongue-less shoe that keeps feet cool, while providing great support. The Air Summer Lite II was built on a women's specific last for guaranteed comfort and a tailored women's fit. For extra support and durability, there is synthetic leather located in the heel and toe box. Check out [www.nikegolf.com](http://www.nikegolf.com) for more details. MSRP \$79

**Fashion Life Premier By ECCO**

Guaranteeing a level of quality that cannot be matched by any major footwear manufacturer, each shoe in the 2009 ECCO golf collection is touched by more than 225 sets of highly-skilled hands during production entirely at company-owned factories. This labor-intensive process facilitates the brand's unrivalled attention to detail that helps discerning players look, feel and play their best.

**Optimal performance is further guaranteed by:**

- Ultra-soft, high-grade leathers with hydrophobic treatments for superb weather-resistance
- Internal stabilizer to reduce torque and create ideal swing stability
- Double-layer insole with cushion that absorbs heel force to reduce stress on the knees, hips and back
- Internal Air-Circulation System to maintain a fresh, dry and cool foot environment
- Dynamic Energy Return System that provides a trampoline effect during foot-strike and follow-through to reduce fatigue and restore energy with each step

MSRP \$150

**NEW CLEATSKINS™**

**Golfskins™ Instantly Takes Golf Shoes to the Street**  
**Revolutionary SKINTEK™ Rubber Skin is a Hole-in-One for Golfers**

To meet the needs of active golfers, Cleatskins™ has unveiled Golfskins™, a stylish accessory that quickly and conveniently takes golfers from the course to the clubhouse and beyond, without requiring a change of shoes. Constructed of SKINTEK™ rubber, a unique formulation of compression molded rubber, Golfskins cups the bottom of golf shoes to extend the life of cleats, improve mobility and safety on asphalt, concrete and other hard surfaces, and provide a sealed barrier to keep dirt and grass out of the home and car.

MSRP \$32.95
